

The Burning Platform

BEWARE OF THE PHILANTHROPATHS

I think this made up word in the meme below perfectly captures the tyrannical billionaire psychopaths who seem to have gained control of the world using their billions, while portraying themselves as the saviors of humanity. Whenever I see the term Foundation related to one of these psychopaths, I know that Foundation is nothing more than a front to achieve their evil agenda. And if ever there was a poster boy for philanthropaths across the world, it would be Mister depopulation/vaccine pusher/farmer Bill Gates and his Gates Foundation.

I learned a new word today:
Philanthropath (noun).

A philanthropath is a psychopath
masquerading as a
philanthropist.

Gates, Soros, Bloomberg and the Clintons represent the evil forces in this world, using their wealth, power, and control of the regime media to push their agenda of chaos, death, destruction, and depopulation. They all use their “Charitable” Foundations as a means to their evil ends, while being portrayed by the media they have bought off, as generous philanthropists improving the lives of the poor and downtrodden. It is all a ruse, easily revealed to anyone willing to dig just below the surface of these Potemkin foundations.

Bill Gates has openly articulated his belief the world needs billions less people. Everything he does, supports, and funds, actively promotes achieving his psychotic death wish for those he considers useless eaters. Gates funded Event 201 in October 2019, laying out the master plan for the Covid plandemic, while at the same time

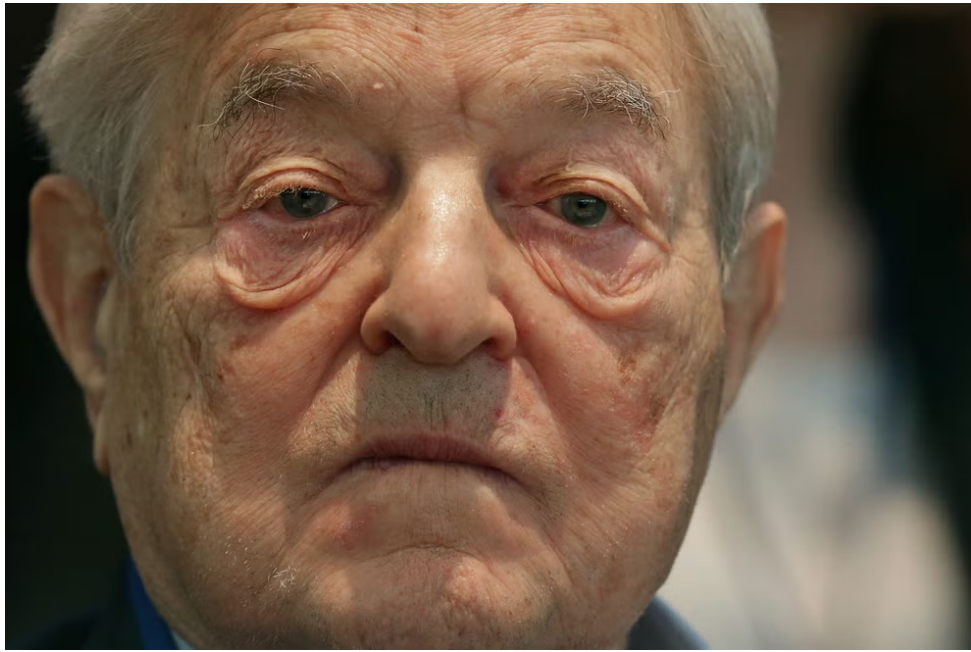

funding the vaccines for a disease that supposedly didn't exist yet. This psychopath was front and center in pushing billions across the globe to be injected with this untested toxic DNA altering concoction.

It is now unequivocally provable these vaccines killed millions immediately, millions more slowly and methodically, and stopped millions more from ever being born by drastically altering the fertility of young people who had ZERO risk from covid, but were forced to be injected by the authorities and their bought off lackeys. This psycho has also funded the introduction of GMO mosquitos into the wild. Suddenly, cases of malaria have risen. This mental defective has funded fake chemically produced meat, while buying up farmland across the country, with no intention of farming. He funds new vaccines, using Africans as his guinea pigs. He funds geo-engineering (aka chemtrails) to block the sun, because his high school degree makes him not only a vaccine expert, but a climate expert too.

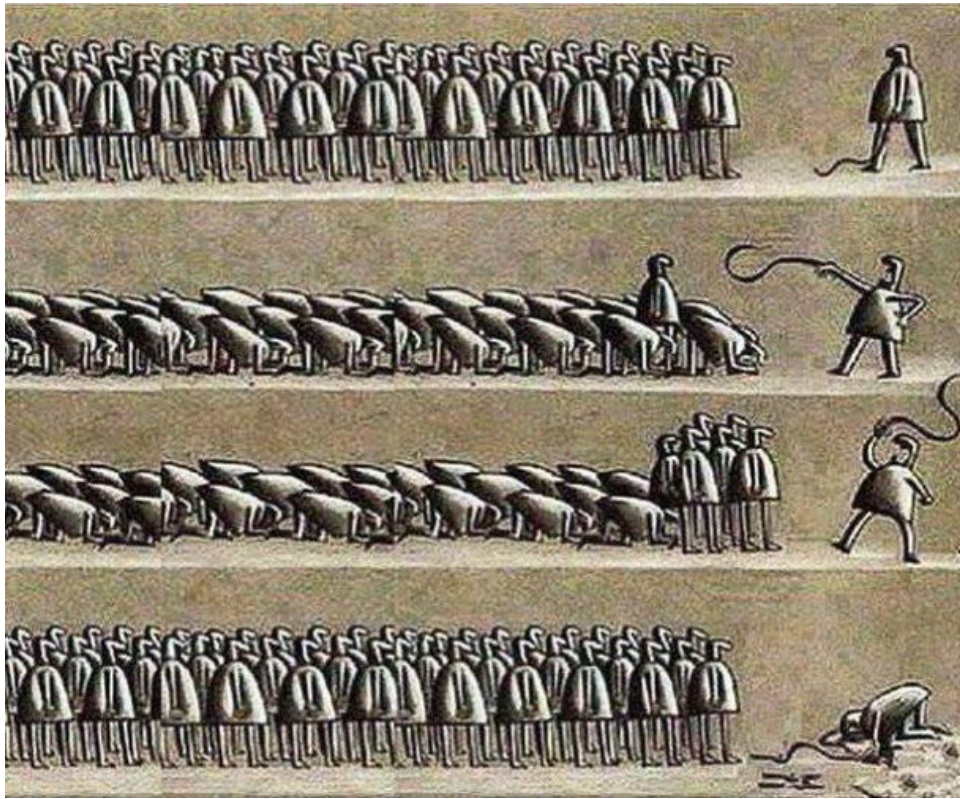

[native advertising](#)

Psycho Soros made his billions manipulating financial markets through insider information, so now he fancies himself as puppet master of politicians, the media, and NGOs across the globe. He is single-handedly responsible for the ongoing destruction of America and most of the western world. It has taken billions of dollars to transport the millions of invaders placed at our southern border. Soros is the psychopath funding this invasion under the cover of his foundation and the hundreds of “charitable” organizations he funds to make sure the invaders have the means to successfully enter our country and western Europe.

His sole purpose is to destroy American and western culture, create chaos, maximize societal strife, and destroy every vestige of community, normalcy, and peaceful coexistence. Soros is behind the selection of the DAs in every urban enclave in America, who refuse to enforce the law, encourage crime, and purposefully destroy the cities they were entrusted to protect. Soros wants rampant crime, illegal immigrants overwhelming cities, uncontrolled drug use, mass homelessness, rigged elections through mail-in ballot fraud, and the downfall of America. All done through “legal” means, and cheered on by the regime media he funds.

I could go on with examples about Bloomberg and the Clintons, but it gets repetitive, as these philanthropaths all have the same general purpose. They use their massive wealth, power, and control to gain more wealth, power and control, while inflicting their psychopathic beliefs upon an unsuspecting populace just trying to live their lives. Most people are not psychopaths. Only this micro-fraction of truly evil people with massive levels of wealth are the true enemy of us all. They are relatively easy to expose. If the plebs ever gained the courage to stand up to these psychopaths and made examples of a few, the tide might be able to be turned. I’m not optimistic, but it just takes one.

Bill Gates was the target of anti-trust lawfare , then he got ‘ turned around ‘ and began running ads where he said – ” I Love A Big Idea ‘ , just like another prominent figure used to.

Foundations are a tool for creating tax free Royalty (kings and queens)in the US.

They create a foundation name their children as directors and board members and pay them a lot of money.

Then they use the money to invest in and control companies.

Then the control of the foundation is passed down through generations all tax free.

Actually there is room up there for both.
Saw a video of this guy actually visiting the Dome of the Rock and it sits in a huge flat, paved with stone area. The British actually were allowed to do some archaeological work up there back in the nineteen twenties on what they think was the actual Solomon's Temple, so obviously it will fit. That area has been re-worked many times by the Muslims. The Third Temple is going to be built by the

Son Of Perdition just so he can sit in it. It is not called the Synagogue of Satan for nothing.

Nope.

Q. Does the Jewish temple need to be rebuilt before Jesus returns?

A. With the constant turmoil always threatening stability in the Middle East, many Bible commentators are speculating louder than ever about whether the Jewish temple will be rebuilt in the months and years to

come. Entire Christian ministries are established to assist in the building of the temple to hasten the return of Jesus. For many, such an event will signal the start of the final events of earth's history.

However, in the same way many Christians misplace the focus from spiritual Israel to the literal Jewish nation, they are also confused on the subject of the temple. Most of the speculation for a rebuilt temple springs from a vague reference in 2 Thessalonians 2 dealing with the Antichrist power: "That day shall not come ... [until] that man of sin be revealed, the son of perdition; Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God" (vs. 3, 4).

Many say that for the Antichrist to sit in the temple, it will obviously have to be rebuilt.

Those who support this belief are known as Christian Zionists, and they include such popular writers as Hal Lindsey, Tim LaHaye, and John Hagee. Their published book sales exceed 70 million copies—including the popular Left Behind series. Their beliefs are endorsed by some of the largest theological colleges and institutions.

But are they correct? To begin, let's go to 1 Chronicles 17:11, 12: "It shall come to pass ... that I will raise up thy seed after thee, which shall be of thy sons; and I will establish his kingdom. He shall build me an house, and I will stablish his throne for ever." This prophecy given to King David says his offspring will build the temple.

Later, in 1 Chronicles 28:6, God reaffirms, "Solomon thy son, he shall build my house and my courts."

But this text is also one of the clearest examples of a dual prophecy found in Scripture. Dual prophecies have

both a physical and spiritual fulfillment. Indeed, Solomon, the son of David, built the physical temple. But this prophecy also applies spiritually to Jesus, the true “Son of David,” who is to build a temple and kingdom that will last forever.

Jesus’ prophecy that the pride of the Jewish nation, the temple, would be destroyed inspired the most intense rejection of His teachings. (See Matthew 24:1, 2.) In John 2:19, Jesus says, “Destroy this temple, and in three days I will raise it up.” Of course, Jesus is speaking of rebuilding a temple—not of stone and nails, but of living stones (1 Peter 2:5). Yet many refused to grasp this teaching (John 2:20, 21). They even mocked Jesus on the cross regarding His prophecy (Matthew 27:40).

Yet when Jesus died, the veil in the earthly temple ripped in two from the top to bottom, signifying that the temple no longer held meaning. A temple for sacrifice today would be as useless as it was then, and it would not be the house of God.

The New Testament is replete with the idea that the temple is the body of Jesus. Ephesians 2:19–22 says, “Ye are no more strangers and foreigners, but fellowcitizens with the saints, and of the household of God: And are built upon the foundation of the apostles and prophets, Jesus Christ himself being the chief corner stone; In whom all the building fitly framed together groweth unto an holy temple in the Lord: In whom ye also are builded together for an habitation of God through the Spirit.” (See also 1 Peter 2:5.)

Even after God provides all this clear evidence that His temple is a spiritual one, many Christians are waiting for the Jews to receive a construction permit to rebuild a physical temple on the site where a Muslim mosque now

sits. However, there is no prophecy, promise, or commandment in the Bible that says the physical temple would ever be rebuilt after the Romans razed it nearly 2,000 years ago.

Nope,

There is no 7 year tribulation...and from my research and investigation into Daniel 9:27 (the hinge verse of so much deception) it was changed in 1885 by Sir Anderson in the 'REVISED' King James 'B.S.' Bible deception (that should have been called the REVISED KINK (every pun intended) James...by Sir Anderson.

Check him out...and Darby...and the little girl in the trance (that was used to start the deception, then Scofield (and Moody – they were all friends and cogs in the deceptive demonic machine) all ran Satan's ball into the prophetic DECEPTION...Pre Trib Christian Zionist End Zone.

Then many future translations took the REVISED 9:27 (switch from Jesus to the Antichrist) as 'gospel' and that polluted most translations since.

The flip from Jesus to the Antichrist deception in Daniel 9:27...and in to a Pre-Trib a 7 year Tribulation, and a single – one person – ANTI CHRIST MANY FEAR (Phfttttt) was off to the Evangelical Christian Zionists...false prophecy races.

There is an Antichrist Spirit...but the superman antichrist is BS.

Scofield did most of the heavy lifting with his 1885 'Study notes' foundational deception birthing the American Christian Zionist movement.

That is an easy deep dive. Just go back to the two Geneva Bibles, the King James 1611 9:27 EXACT WORDS AND COMPARE THEM TO THE Revised 1885 King James changes.

Don't forget context either...it also expose the 1885 flip lie.

UNDERSTAND THE END TIMES: HISTORICIST Commentaries Available

Our goal is to restore the Historical Protestant Interpretation of prophecy with special attention to the books of Daniel and The Revelation.

If you have been sitting in Church for years terrified about The Rapture, a Seven Year Tribulation, or a One World antichrist, this is your blog site. We will take the anxiety out of “end-times” prophecies. Our posts will clearly explain what the Bible actually says, and, what it doesn’t say about future events.

Our Hermeneutics (rules of interpretation) adhere to the history, grammar and context of the passage as it was intended by Daniel and John.

We will not tell you what we feel. We will explain prophecies using sound logic and the tried and true rule of comparing Scripture to Scripture. It is imperative to understand correctly what is future and what has been fulfilled since the prophecies were recorded.

Understand The End Times: Historicist Commentaries Available

We are proud to announce the series Decoding Daniel and The Revelation is now available. Much of this comes from the above book...

THE SECRET CIPHERS...I

down loaded it a few hours ago for \$15.00

DIANEL CHAPTER 9

THE SEVENTY SEVENS OF DANIEL

The Messianic Cipher

Daniel 9:24-27

“Seventy sevens of years are decreed, concerning your people and your holy city, to finish the transgression, to put an end of sin, and to atone for iniquity, to bring in everlasting righteousness, to seal both vision and prophet, and to anoint a most Holy (place or One). Know therefore and understand, that from the going forth of the word to restore and to build Jerusalem to the coming of an anointed one, a prince, there shall be seven

sevens. Then for sixty-two sevens it shall be built again with streets and cisterns, but in a troubled time. And after the sixty-two sevens an anointed one shall be cut off, and shall have nothing and the people of a prince who is to come shall destroy the city and the sanctuary. Its end shall come with a flood, and to the end there shall be war; desolation's are decreed.

Here is the accurate key verse – as far as what has been changed that is further below from the REVISED 1885 flip.

27: And he shall make a strong covenant with many for one seven; and for half of the seven he shall cause sacrifice and offering to cease; and upon the wing of abominations shall come one who makes desolate, until the decreed end is poured out on the desolator.”

Below is what the Englishman (dam Limeys are behind everything) Sir Anderson changed Daniel 9:27 to in the ‘REVISED’ King James Bible (he was friends with Darby) that their friend Scofield used in his 1909 Scofield Study Bible notes to flip Jesus Christ (from 9:27) into the antichrist that eventually led to Pre-Trib, a 7 year Tribulation (a 2,000 year gap that never existed in the 7 weeks prophecy) and a superman antichrist...and oh yea in 1948 a modern day secular Israel (led by Fake Jews) that all the duped Christians Zionists would worship in many ways in place of JESUS CHRIST...and all the 3rd Temple crap!

Their American connection was Moody who ran with the 1885 REVISED Daniel 9:27 changes.

Chop your own research wood...it's not hard to find if you can swallow your duped pride (I did) and forget about all that LEFT BEHIND deception.

REVISED KING JAMES 1885

Written by Sir Anderson and from it most of our English translation carry on the subtle but massive flip lie.

27: And he shall make a firm covenant with many for one week: and for the half of the week he shall cause the sacrifice and the oblation to cease; and upon the wing of abominations shall come one that maketh desolate; and even unto the consummation, and that determined, shall wrath be poured out upon the desolator.

Note: The Scofield Reference Bible is a widely circulated study Bible edited and annotated by the American Bible student Cyrus I. Scofield, which popularized dispensationalism at the beginning of the 20th century. Published by Oxford University Press and containing the entire text of the traditional, Protestant King James Version, it first appeared in 1909 and was revised by the author in 1917.[1]

THE FUTURISTS FICTITIOUS FACTS

The Futurists advocate that there is a seven year tribulation and an antichrist in this passage. However, their hermeneutics are unfounded. Logically, there is no indication from the language that the seven sevens, sixty-two sevens and one seven are not consecutive.

Each segment must be considered part of the whole. It is an “argument from silence” to say that there is a gap of over 2,000 years between the sixty-ninth seven and the last seven year period, as most Futurists claim. There are no other prophecies in scripture where such a significant gap can be shown to exist.

Therefore, there is no possibility of a future seven year tribulation from this passage. In this prophecy of the seventy sevens, the Futurists start out correctly using the “day for a year” method to determine seventy sevens are 490 years.

However, they then link this passage to Revelation 11:2-3; 12:6; 13:5 where they change their rules of interpretation to a literal “day for a day” to assert their seven year tribulation. It is inconsistent for the days to be described as both “day for a year” and “day for a day” at the same time — these rules are mutually exclusive. They also teach that antichrist is the personal pronoun “he.” However, grammar dictates that this “he” must be referring to a noun in the preceding verse or verses. The only nouns available are “a prince” (the Messiah) or “the prince of the

people to come” (the Roman General Titus). Clearly, neither a seven year tribulation, nor an antichrist are to be found in Daniel.

FYI: The only antichrist passages in the Bible are in the little letters of John. [1 John 2:18-25; 1 John 4:1-6; 2 John 1:4-11] The word antichrist is not found in Daniel or The Revelation.

Mary,

I have to work on my taxes...and we have been de-banking and de 401king all during 2023...so this is going to be painful, but as far as the Great Taking all they will get from me is crumbs...but I will put up a detailed answer later in the day...as this is an interesting point in the ongoing plot to suck in the Christian Zionists...and it has been wildly successful.

Great vid Buddy...I am familiar with him and have watched a number of his vids...now I'm not a 7 Day Adventist (even though we attend a Southern Baptist Church I'm not one of them either – no denomination for me).

I have always liked him. He left off the growing Pre-Wrath Rapture movement that they think happens in the beginning of the 6th Seal...but

many of them also seem to believe the corrupted Daniel 9:27 flip from Jesus to the antichrist as well...and that has become a complete game changer for me.

So here are the four recognized Rapture timings in chronological order:

1. Pre Trib
2. Mid Trib
3. Pre Wrath
4. Post Trib

I think they are most likely in complete reverse order.

Well, I campaigned for and offered support to *La Libertard Avanza*, which had and has Mr.M as its head, but the Chabat connection had me leery of him from the

get-go. Nevertheless, he was the only choice, seeing as he was and is correct that the entrenched political-social-economic “caste” had to go. Argentina doesn’t operate quite like other places and Mr. M may wear out his welcome fairly quickly once the most important reforms are in place. Argentina is not a “philo-semitic” country to say the least and Mr M’s peculiar fascination with the Lubavitchers may backfire on him. He is far from the indispensable man after all.

It's all tin-foil hat stuff , until it's not.

“The environmental crisis is the cornerstone for the New World Order” Maurice strong (U.N. environmental leader) was quoted as saying, ” Isn't the only hope for the planet that the industrialized civilizations collapse? Isn't it our responsibility to bring that about?”

“Another reason why the environment is such an important issue to Gorbachev is that it will enable him to introduce and ratify comprehensive international treaties granting unprecedented power to seize government and private property all in the name of protecting the environment. In fact, Gorbachev's mandate for the future includes the imposition of stringent global environmental laws which would regulate every area of life. Toward this end he has been supporting the creation of an all-encompassing planetary document called The Earth Charter. Gary Kah The Enviromental Agenda.

Add WHO global health control to the above matrix and we see the terrain from the 40,000 foot level.

It's not just Social Security.

Catherine Austine Fitts and Dr. Mark Skidmore, using government documents, found that the pentagon and HUD had stolen 21+ trillion (with a "T") dollars. The

cash flows they found may mean that the actual amount stolen could be as high as 100 trillion (with a “T”). This happened during Trump’s watch.

So, how did fedgov respond you ask?

Easy, peasy they classified a large part of federal accounting to hide their previous and *ongoing* theft. How did Trump respond? The roaring sounds of crickets. You really didn’t think Trump was gonna rock-the-boat did you?

A Midwestern Doctor.

Why The Bioweapons Research Industry Is A Danger to Society and what the WHO is doing to protect this gift now that the public is wising up to it.

Story at a Glance:

•The upper class has gradually shifted to controlling the populace through economic enslavement, the fear of an ecological disaster, and the fear of a disastrous pandemic which must be stopped at any costs.

•An immensely profitable industry has been built around these fears. Many notorious career scientists (e.g., Fauci and Hotez) depend upon this grift. Worse still, those fears have been used to create the justification we need to perform an endless amount of bioweapons research to “prevent” the next pandemic.

•Since the public is gradually becoming aware of what COVID cartel has done to us, they are switching to far more totalitarian methods to ensure they can continue their grift. We are at a pivotal moment to stop that, and that is why this series was written.

The average person simply cannot discern what maniacs these people be.

“At present the population of the world is increasing ... War so far has had no great effect on this increase ... I do not pretend that birth control is the only way in which population can be kept from increasing. There are others ... If a Black Death could be spread throughout the world once in every generation, survivors could procreate freely without making the world too full ... the state of affairs might be somewhat unpleasant, but what of it? Really high-minded people are indifferent to suffering, especially that of others.”

Bertrand Russell [1872~1970], ‘The Impact of Science on Society’

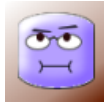

“The pandemic represents a rare but narrow window of opportunity to reflect, reimagine, and reset our world to create a healthier, more equitable, and more prosperous future.”

The goal of Gates is depopulate the white western countries, and refill them with low IQ Africans and Asians. If he and his ilk were truly concerned with depopulation, they would be cutting off aid to Africa, aid that artificially props up its 5-7 TFR. TFR in the US and Europe is under 2.0, so focusing further depopulation efforts in those places isn't efficient, yet that's where the focus remains.

Gates, Soros, Bloomberg et al are merely a more modern version of what Nobel, the Rockefellers, Fords, Carnegies and others did in the early twentieth century using their “foundations” to protect their assets, generate even more wealth and use their wealth and influence to socially reengineer society. They use noble sounding words to conceal their

wickedness, protect their wealth and obscure their plans to own and control the world. Nothing new here, just modern faces.
